This company has many problems to take care of before they should even be considered for an increase. We have almost constant repairs being made on our street and at the lift station. Water leaks, sewer spills, poor water quality.. they need to take care of their business before coming to us for more money again.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

This company does not have a good track record with their repairs. They are on our street all the time with spills, noisy alarms and trucks. We have a problem with how they do their maintenance and the quality of our water.
